Grand Knight Message

Brothers:

Don't be just a Knight, be a Knight of Action. 300 club tickets are ready for sale. Let's shoot for all tickets sold this year. This is one of our biggest money makers. We still need volunteers to help with the smoker. This is also one of our good money makers. We are looking into getting the blood mobile here again. We also have the soccer kick coming up. On Dec. 9th there will be a dinner/dance, open mike night. Our council will be providing the beer. Remember all of our fellow Knights and their families who are ill in your prayers.

Thanks to the efforts of John Picucci and Darren Molony, and especially Mike Boullion for his time and expertise, our council website is available and awaiting your visits. The site is a living document which will grow as more council activities and information are added. We welcome your input and suggestions. You can access the website by scanning the QR

Brothers,

Finally, it would appear that the hot weather we experienced is behind us and our days now have comfortable temperatures. Many of our snowbirds have returned, and Fall is in full swing. We need to pray for the families and victims of the terrible Israeli-Hamas war that is raging, and especially for those who have been adversely affected by cruel and inhumane treatment. This month we will celebrate Thanksgiving, and we must be thankful for all of the blessings that have been bestowed upon us. District 17 Knights enjoy the blessings of family, friends and a supportive church parish which enriches our faith. During this month, we need to renew our spirit and commitment to support the Faith in Action and community programs that our councils offer. We need every Knight, who is able, to support our programs, projects and events. Your service of Charity, Unity, Fraternity and Patriotism are the pillars of our order. In closing, I urge each and every council member to attend and actively participate in your council meeting. If you know of someone who needs a ride, help him if you can. Mary, Queen of the Knights, pray for us. May you have a blessed and happy Thanksgiving.

Paul

UPDATE YOUR BENEFICIARIES

Sometimes it is easy to overlook the simplest of things.

Take, for example, the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it may very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, your policies should be updated to reflect your spouse as beneficiary. Maybe you've had children since, who are not named on the policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary pre-deceases the insured.

I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – that is, the date it was originally issued. One of the matters that I'll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you to discuss your family's needs.

Larry Kennedy.

In January 2022 our council presented a "Family of The Month" award to Bob and Barbara Benton. Bob had handled the church finance for Father Sabre and Father O'Flarety, previous Pastors at St Mary. Barbara had been sacristan prior to our Linda Kozak. They had been married for 72 years when Bob passed away on October 16, two days after his 93 birthday. Please pray for both Bob and Barbara.
